Please help us protect our children!!! Allen ISD requires all volunteers to complete a Background Check before volunteering in the school. It can be completed online at www.allenisd.org. Find HOT TOPICS and then look for VOLUNTEER REGISTRATION on the drop down list. This is required to be completed each school year.

Otherwise, return this form to school in your child's daily folder. Thank you very much for your consideration. We will contact you regarding your choices. Together, we can make this an exciting year at Boon for the kids, staff and parents!
